JULY 2020

Collas Crill has been named as one of the 2020 eprivateclient Top Offshore Law Firms.

The 2020 eprivateclient Top Offshore Law Firm rankings are based on a survey of more than fifty private client offshore law firms. The list recognises the leading offshore law firms across the globe.

The firm's International Private Client and Trusts team with lawyers based in BVI, Cayman, Guernsey and Jersey was recognised in the multi-jurisdictional firms section of the ranking.

Group Managing Partner, Jason Romer said: 'It’s an honour to be recognised again by eprivateclient.

'We have many years of experience in providing trusts, foundations and other fiduciary services using Guernsey, Jersey, BVI and Cayman law - jurisdictions which are collectively recognised as leaders in the provision of offshore fiduciary services.

'Our network of offices allows us support seamlessly across time zones and our integral 'one firm' attitude allows us to regularly work across different teams, departments and jurisdictions, meaning that every client benefits from the breadth of knowledge and experience of our experts around the world.'
