Three additions to the Collas Crill Trust and Corporate Services team in Guernsey

APRIL 2025

Collas Crill Trust and Corporate Services (CCTCS) has further strengthened its team with the appointment of three new team members in Guernsey.

Director of Client Services Hélène Cavignac-Taylor joins the team with more than 17 years' experience working in the finance industry, with skills specifically gained in French tax, and trust and company administration. She joins the team from Sequent where she was a Quality Control and Business Support Associate. Prior to that, Hélène spent nearly a decade at HSBC Private Bank as an Assistant Manager and worked as a French Tax Officer at PKF.

Senior Relationship Manager James Burton joins CCTCS from Artemis Fiduciaries where he was Head of Operations. Prior to working in operations James held client services roles in the trust and corporate services sector. He is really looking forward to managing client structures and building long term relationships with them again.

Relationship Manager Georgia Sales joins CCTCS from FNB where she was a senior onboarding officer. Prior to that Georgia worked at Suntera Private Wealth coordinating the onboarding and building client relationships across a range of jurisdictions such as South Africa, the UK and parts of Europe.

Group Managing Director of CCTCS Katie Bonfrer said: 'I'm delighted to welcome Hélène, James and Georgia and look forward to working with them to deliver exceptional service to our valued clients.

'It's an exciting time to be part of the CCTCS as we continue to develop our offering, expand the team and make plans for growth across our businesses in Guernsey, Jersey and Cayman over the next five years.'
