

# Greta Pender speaking at Relocate to Guernsey Show

---

September 2025

Greta Pender will be speaking at the Relocate to Guernsey Show in London on 9 October.

Organised by Locate Guernsey, the one-day event brings together experts and professionals to help attendees discover why they should, and how they can, move to the island of Guernsey.

Collas Crill Trust and Corporate Services will also have a stand at this event and Katie Bonfrer will be joining Greta to speak to any attendees who want to find out more on how Guernsey trust structures can be used to preserve and transition assets across generations.

Greta is on the panel discussing 'business life in Guernsey: Innovation support and success' and covers:

- What do you need to consider when setting up a company in Guernsey
- Economic substance requirements
- Genuine, functioning enterprises: not 'brass plate' operations.

For more information on this event see [here](#).
