

Collas Crill Trust named as 'Top Trust Company' by eprivateclient

NOVEMBER 2025

Collas Crill Trust has been named as one of eprivateclient's 'Top Trust Companies 2025'.

The 2025 eprivateclient Top Trust Company rankings are based on a survey of over 100 private wealth fiduciary services providers globally, taking into consideration a combination of factors, including a firm's reputation, quality of service, recent performance and the global extent of its operations.

Group Managing Director of Collas Crill Trust and Corporate Services, Katie Bonfrer, said: 'We are extremely proud of this accolade. It not only recognises our impressive growth over the past 18 months but also the commitment we have made to strengthening the foundation of our business.'

'Since the opening of our Jersey office in September 2024, we have focused on ensuring that we have the tools we need and the right structure and people to deliver exceptional service to our clients. By continuously improving our internal processes and fostering an environment of collaboration, we are driving efficiency and excellence in everything we do. Being ranked by epc like this demonstrates we are achieving this goal - and it's testament to the hard work of our teams across our Guernsey and Jersey offices.'
