All-JCG final in the Jersey Collas Crill Moot

NOVEMBER 2026

Jersey College for Girls (JCG) took the trophy at the Jersey Collas Crill Moot final on Thursday (10 December).

Students Kitty Romer and Eve Hamilton were crowned winners after a closely contested final against fellow JCG students Daniella Reynolds and Eve Northcott, making it an all-JCG final in this year's mock trial competition.

The students went head to head in a fictitious and contentious divorce case involving a couple, now worth £150 million, who had married without a prenuptial agreement in place.

They presented their cases in the Royal Court of Jersey before Family Judge Kate Donohue, who presided over the proceedings, supported by the Judicial Greffier, Advocate Rebecca Morley-Kirk.

Following another successful year for the competition, 60 students in teams from across Hautlieu School, De La Salle College, Beaulieu Convent School, Victoria College and JCG took part in the initiative.
The four JCG students achieved the highest marks, booking themselves their places in the final.

They were assessed on a range of factors including court etiquette, persuasiveness, clarity, body language and time-keeping.

It was an exceptionally tight final, with only one point separating the teams.

Throughout the Moot final, all participants adhered to official court formalities, allowing the students to experience an authentic courtroom trial. Family, friends and teachers were invited to watch from the public gallery, alongside the Collas Crill coaching team and partners.

Pamela Doherty, Jersey Managing Partner at Collas Crill, said: 'The standard of advocacy and preparation on display throughout this year's competition was exceptional. Kitty, Eve H, Daniella and Eve N should all be incredibly proud of what they achieved in reaching the final.

'At Collas Crill, we are passionate about supporting the next generation and creating opportunities for young people to develop their skills and confidence. The Moot is a fantastic way of nurturing local talent and ambition, while giving students a real insight into the legal profession.

'It is always inspiring to see so many students embrace the challenge with such enthusiasm and professionalism. We hope the experience encourages them to pursue their ambitions, whatever path they choose.

'We are grateful to the Bailiff and his Chambers for allowing us to host the final in the Royal Court, and Family Judge Donohue, supported by the Judicial Greffier Advocate Rebecca Morley-Kirk, for judging the competition. Their support helps make the Moot a truly memorable experience for all involved.'

The winning team was presented with the Collas Crill Moot Shield to take back to their school, as well as individual trophies and two weeks' paid work experience at Collas Crill.
