

Guernsey's new data protection regime

December 2017

Following on from our recent Data Protection and Risk & Regulatory events, we wanted to share with you our latest data protection collateral to help you and your board understand the implications of the regulation.

We have created a high level overview, ideal for getting to grips with the basics of the new regime, as well as a more in-depth guide, providing you with more detail on some of the key issues.

You can access them here:
