

Guernsey partners named by peers in 2018 Funds Guide

September 2017

Partners from Collas Crill's corporate and commercial practice in Guernsey have been featured in Who's Who Legal: Private Funds Guide 2018.

Paul Wilkes and Wayne Atkinson have been selected for the guide that features leading figures in the investment funds sector.

Since 1996, Who's Who Legal has identified the foremost legal practitioners in business law based on independent research. Nominees are selected based on surveys of general counsel and private practice lawyers worldwide.

The listing comprises fund formation specialists and regulatory experts from more than 100 law firms across 28 countries.

Wayne said: "The importance of this listing to us is that it shows the continued endorsement from our clients and peers, indicative of our place in the market as a leading funds practice."

Collas Crill recently expanded its investment funds practice in the Channel Islands with the appointment of group partner Dilmun Leach in the firm's Jersey office.

The Who's Who Legal: Private Funds Guide 2018 will be available in November 2017.
