

Collas Crill advises on Green & Smart AIM listing

May 2016

Collas Crill has advised Green & Smart Holdings plc on its listing on the London Stock Exchange's AIM market.

Green & Smart Holdings plc is the Jersey holding company of the Green & Smart company group, which is engaged in the Malaysian Renewable Energy Sector.

By participating in the production of electricity through Biogas Power Plants which convert the waste produced by Palm Oil Mills, G&S is seeking to take advantage of Malaysian governmental policy towards increasing the production of electricity through renewable energy sources.

Over the last thirty years, G&S has undertaken and completed numerous projects in Asia, including the construction and delivery of four Biogas capture facilities for Felda Palm Industries Sdn Bhd. This is a subsidiary of Felda Global Ventures, which is the world's largest crude Palm Oil producer, and the world's largest palm oil plantation operator based on planted hectares.

The Collas Crill team comprised of group partner, Leon Santos, and associate, Simon Heggs.

Collas Crill group partner Leon Santos said: *"We are delighted to have been involved in this transaction and it demonstrates our expertise in capital markets deals from SE Asia. G&S' strong fundamentals highlights the quality of businesses from Asia that are now listing in London. The London Stock Exchange continues to offer a competitive market with attractive valuations. Jersey is also well recognised as a domicile for cross border transactions such as this."*

Collas Crill has close links with participants in the equity capital markets space in SE Asia, particularly Malaysia. This global presence provides responsive and clear advice to support transactions across all time zones.
