

Collas Crill shortlisted for Wealthbriefing 'Offshore Law Firm of the Year'

March 2016

Collas Crill has been shortlisted for 'Offshore Law Firm of the Year' in the WealthBriefing European Awards 2016.

Showcasing 'best of breed' providers in the global private banking, wealth management and trusted advisor communities, the WealthBriefing European Awards were designed to recognise companies, teams and individuals which the prestigious panel of judges deemed to have demonstrated innovation and excellence during 2015.

Collas Crill Group Partner and Head of Fiduciary, Angela Calnan, said: "2015 was a strong period of growth for our fiduciary team with the addition of our Cayman office and a number of lateral hires at all levels.

"We are delighted to have been shortlisted for this award which is a reflection of our hard work and significant investment in the firm's fiduciary practice over the last three years."

ClearView Financial Media's Chief Executive, and Publisher of WealthBriefing, Stephen Harris, extended his congratulations to the shortlisted firms.

He said: "The firms who have been shortlisted in these awards are all worthy competitors and I would like to extend my heartiest congratulations. These awards are judged on the basis of entrants' submissions and their response to a number of specific questions which had to be answered focusing on the client experience, not quantitative performance metrics.

"That is a unique and, I believe, compelling feature. These awards will recognise the very best operators in the private client industry with 'independence', 'integrity' and 'genuine insight' the watchwords of the judging process – such that the awards truly reflect excellence in wealth management."

Winners will be announced at a gala awards dinner which will be held in London on 19 May at The Guildhall.
