

Recommended as top tier firm

October 2019

Collas Crill has been recommended as a top tier firm in three practice areas across its Guernsey and Jersey offices in the Legal 500 United Kingdom 2020 rankings.

The firm's commercial property teams were recognised in both jurisdictions, as well as Guernsey's dispute resolution team, which is led by local Managing Partner Christian Hay.

A further ten practice areas were listed within the 'recommended' category, with five teams from each office recognised.

Within the individual categories, ten of the firm's lawyers were listed as elite 'Leading Lawyers', with further acknowledgements under 'Next generation lawyers', 'Rising stars' and 'Recommended'.

Jason Romer, Group Managing Partner said: 'It's been a great year for Collas Crill and that is clearly demonstrated by these listings.

'The results show the firm's strengths across different practice areas, and my congratulations go to those teams as well as the individuals recognised.'

The Legal 500 series is an independent guide, in which firms and individuals recommended purely on merit. It is now in its 33rd year.
