Collas Crill ranked tier 1 in 2021 eprivateclient Top Offshore Law Firms listing

MAY 2021

Collas Crill has been named in tier 1 of the 2021 eprivateclient Top Offshore Law Firms.

The 2021 eprivateclient Top Offshore Law Firms rankings are based on a survey of more than fifty private client offshore law firms. The list recognises the leading offshore law firms across the globe that specialise in forming offshore private foundations, offshore trusts, and offshore bank accounts and advising on international tax planning, corporate structuring, global asset protection, and wealth management.

Collas Crill's International Private Client and Trusts team was recognised in the multi-jurisdictional firms section of the ranking, with lawyers based in Cayman, Guernsey and Jersey.

Guernsey Head of International Private Client and Trusts (IPCT) Angela Calnan said: 'We have invested heavily in our private client offering in the last decade and built something truly impressive from the ground up. Within our ranks we have partners from top City private client firms, experienced English barristers and seasoned local advocates. As well as attracting a diverse range of high value, complex and innovative matters we are still proud to service the basics really well with a good spread of junior talent, at all times ensuring that we invest in our relationships with each other and with our clients who are at the heart of everything we do. We are absolutely delighted with this recognition.'

Jersey Head of IPCT Kellyann Ozouf said: 'This is a brilliant result for the private client team. They work incredibly hard and are collectively very deserving of this ranking. The team has gone from strength to strength in the last decade and I'm very proud to be part of it. I very much look forward to growing it even further in the short term. I must also add that it is great to be part of a firm which invests so heavily in private client and a firm at which it is central to its growth strategy.'
