Collas Crill ranked in Global Restructuring Review top 100

NOVEMBER 2021

Collas Crill has been ranked in this year's Global Restructuring Review (GRR) 100, an annual guide to the world's leading law firms for cross-border restructuring and insolvency matters.

Firms listed in the guide have been vetted for their 'expertise and demonstrable experience in cross-border matters' and deemed 'the most competent and vouched-for international firms', offering 'a safe pair of hands in which to leave a multinational business in distress'.

The write-up also highlights Collas Crill's rapid growth since its inception in 2011 and includes a selection of the firm's 'enviable list of case milestones' across its jurisdictions, with particular mention of the firm's growing teams in Cayman and BVI.

Group managing partner Jason Romer said: 'We are delighted to have once again been recognised in the GRR100 which is testimony to the strength and depth we have in the field of restructuring and insolvency.

'Over the past six years we have grown and developed significantly and, as such, we are involved in some of the most complex insolvency and restructuring matters across all our jurisdictions. This growth is firm-wide and reflects our strategy of building strengths on strengths.'
