Two Collas Crill lawyers included in the Private Client Global Elite Directory 2022/23

FEBRUARY 2022

Two Collas Crill lawyers have been included in the Private Client Global Elite Directory 2022/23, a listing of the world's more respected lawyers advising ultra-high net worth clients, as recommended by their industry peers.

Guernsey Managing Partner and Head of Dispute Resolution Christian Hay features in the directory for the fifth consecutive year and Head of International Private Client and Trusts Angela Calnan joins the list for the first time.

Compiled in conjunction with Legal Week, the directory received more than 6,000 nominations this year which were whittled down to just 250 lawyers from 149 law firms. Almost 40% of those listed in the UK are women, an increase of nearly 15% on last year.

Christian said: 'I am delighted Collas Crill is once again included in Legal Week's Private Client Global Elite Directory.

'Recognition like this from our peers is a real acknowledgement of our expertise and experience in the private client space. Thank you to everyone who recommended Angela and me.'
