

Summer internship programme runs again in Cayman

May 2023

For the second consecutive year Collas Crill will be offering a paid Summer Internship Programme in Cayman to offer school students an insight into working life at a law firm.

The annual paid internship programme is open to Caymanian students aged 16+. The interns will work their way through each department on a rotational basis over a four-week period, guided closely by lawyers and business services professionals.

During this time, they will:

- gain exposure to a range of different legal practice areas
- understand the role of business services (Marketing, Business Development, Finance, Compliance, HR) within a law firm
- contribute to the overall culture of Collas Crill and participate fully in all work and social aspects
- start building their professional network with a view to their future career development

How to apply

To apply, students need to send their CV and cover letter to clare-louise.mcgrath@collascrill.com
