Collas Crill's private client teams recognised in Chambers HNW Guide 2023

JULY 2023

Collas Crill's Private Client teams in the Channel Islands have once again featured in the Chambers High Net Worth Guide, the guide for go-to individuals and firms in the private wealth sector.

The Jersey team has moved up to band 2, with the Guernsey team maintaining its band 3 ranking within the offshore trusts category.

Three individuals been singled out for their expertise in the area.

Partner Kellyann Ozouf, who heads up the International Private Client and Trust team in Jersey, has been ranked in band 2.

Jersey partner and Head of Dispute Resolution, Damian James, is ranked in band 3 in the guide, along with Partner and Head of the International Private Client and Trust team in Guernsey Angela Calnan.

The Chambers High Net Worth Guide provides an in-depth analysis of the market and ranks the top lawyers and law firms for international private wealth. The guide is used by family offices and professional advisers to high net worth and ultra-high net worth clients around the world.

The rankings are based on independent research including interviews with lawyers, family offices, tax advisers, accountants, investment managers and bankers for a comprehensive view of the private wealth sector.

Angela Calnan said: 'We are proud of the endorsement from Chambers, and the many peer and client recommendations that go into forming these rankings. One of our key values is the fact that we are easy to do business with. Forming, developing and maintaining close business relationships with our clients is at the heart of what we do and it is rewarding to have this recognised.'
