

COMMERCIAL PROPERTY REFINANCING

APRIL 2016

Michael Morris and Jeff O'Boyle recently acted for [Acorn Finance Limited \(Jersey\)](#) in collaboration with [Structura](#) on the refinancing of a London commercial property. The facility was completed in short order despite asset complexities which mainstream funders would have found challenging. The property is intended for multi unit residential development, and once planning has been granted [Structura](#) remains engaged to refinance with a senior provider.
